ABSTRACT

Eight tables present statistical data on the originating residence of students entering New York State institutions of higher education in the Fall of 1986. The first table organizes the number of students by locale (New York, all other states, U.S. territories, and foreign countries). The second table organizes the data by sector (number of students enrolled in State University of New York, City University of New York, independent, or proprietary institutions). Tables 3 and 4 provide data for all first-time students enrolled in New York colleges and universities, broken down by home state. Subsequent tables present data concerning the home states of first-time students enrolled specifically in State University of New York institutions, City University of New York institutions, independent institutions, and proprietary institutions. DEFINITIONS

UNDERGRADUATE LEVEL: Students enrolled in a credit-bearing certificate or diploma program of at least one academic year, associate degree program, or baccalaureate degree program.

FIRST-TIME UNDERGRADUATE:

FIRST-TIME FRESHMEN: Entering freshmen who have not previously attended any degree-granting college. These are students who began their first academic year in a degree-granting institution after July 30, 1986 and were enrolled in the fall 1986 term. In addition to the traditional first-time student, this category includes students entering with advanced standing achieved through examination, completion of courses in nondegree-granting nursing schools, or college courses taken by high school students who were not formally enrolled in a college program. These advanced standing students are considered first-time freshmen even if their credits allow them to enter as sophomores.

TRANSFERS: Students who terminate enrollment (with or without a degree) in one degree-granting institution and subsequently enroll in another, usually with advanced standing credits.

FIRST-PROFESSIONAL: Students enrolled in the following programs or taking courses of the following program areas: Dentistry (D.D.S. or D.M.D. degree), Medicine (M.D. degree), Optometry (O.D. degree), Osteopathic Medicine (D.O. degree), Pharmacy (D.Phar. degree), Podiatry (Pod.D., D.P. or Podiatric Medicine, D.P.M., including Chiropody), Veterinary Medicine (D.V.M. degree), Chiropractic (D.C. or D.C.M. degree), Law (LL.B. or J.D. degree), and Theological Professions (B.D. or M. Div.)

FIRST-TIME FIRST-PROFESSIONAL DEGREE PROGRAM STUDENTS: Students enrolled for the first time in a first-professional degree program. Includes first-professional degree students enrolled for the fall term who entered the institution in the prior summer term.

FIRST-TIME GRADUATE STUDENTS: Students who entered a master's or doctoral program for the first-time in fall 1986 with no credits toward the degree other than credits they may have received during the summer of 1986.

HOME STATE: A person's permanent address at the time of application to the institution.
